

Owen Nolan PERJURY

(or CTE)

Owen Nolan has suffered over a dozen documented concussions during his NHL and amateur hockey career (participating in 109 career fist fights**) causing his severe CTE symptoms (akin to Alzheimer's memory loss)...

Owen Nolan **testified in 2009 that he signed the *Letter of Authorization* for Northern Trust, **verified** by his attorney (*Arbitration Day 5 Tr.1049*) (*ECF No. 668 Appendix at 274-275*)
